School rates are available for government schools and to registered non-government schools only, which are defined as schools that employ government accredited teaching professionals and have a principal responsible for day to day operations.

Registered non-government schools which are eligible for the school rates will be listed on the relevant State's Department of Education website.

School rates are *not* available for preschools, long day-care centres, pre-primary classes in or attached to schools, referral centres for short-term remediation, senior technical colleges, evening colleges, continuation classes and institutions such as business or coaching colleges and community languages schools or individual home school students attending outside of an organised registered school group.
